Dear Sir / Madam,

I Saptarishi R. Ghosh write this letter to you to express my heartfelt gratitude for a pleasant stay in your esteemed hospital that helped me face the various ailments that plagued me.

Thanks to my parents, I have had the good fortune of being treated by amazing doctors like Dr Sagade. (I have no words to express my gratitude towards him), Dr Balkrishna, Dr Agarwala, Dr Gurshahani, Dr Chadha&hellip;&hellip;.

All &lsquo;MY&rsquo; sisters (Nurses) are excellent. They have been so helpful, caring and affectionate, that I seriously have no words to thank them for everything they did for me. Though I don&rsquo;t know everyone&rsquo;s name, to name a few &ndash; Usha sister, Jolly sister, Monica sister, Aleyamma sister, Josephine sister, Sneha sister, Clotilda sister, Ankita sister, Bhakti sister, Maria sister, Seema sister , Vaishali sister&hellip;&hellip;.

All sweepers have been very helpful and co-operative too. Meghji bhai, Uday bhai, Narayan bhau have been very caring. And I have to mention this &ndash; &lsquo;Meghji bhai&rsquo; is simply outstanding. Extremely dedicated to his work and service to patients, he is more like a &lsquo;medical social worker&rsquo;.

And from what I overheard from my parents all liftmen and securitymen were extremely kind and helpful.

Thanking you.

Yours sincerely  
S. R. Ghosh
