8th Arrhythmia & ECG Update 2019

8th Arrhythmia and ECG Update 2019 “Back to Basics: ECG interpretation”: Session I

Introduction

The Cardiology Department at Hinduja Hospital will conduct an Update on ECG interpretation “Back to Basics” on **3rd Feb 2019** from **9.30 a.m. to 2.00 pm** in the **Conference Hall, 4th floor, Hinduja Clinic Building.**

Friends, we will soon be welcoming the New Year. It is time to update our knowledge regarding ECG interpretation. The ECG remains the most basic tool for diagnosing cardiac disorders. Interpretation of ECG is of immense importance to all practicing physicians. Thus, this year we are planning to organize an update on ECG interpretation “Back to Basics” which will be conducted in two sessions.

The first session will be organized on 3rd Feb 2019 and the second session will be held on 9th June 2019 tentatively.

We invite you to this wonderful symposium.

Target Participant

This update is targeted at Physicians (MD/DNB) who are involved in management of patients with cardiac diseases.

Organizer / Co-ordinator :

Dr. Ameya Udyavar

Hinduja Faculty :

Dr. Ameya Udyavar, Cardiac Electrophysiologist.

Dr. C.K. Ponde, Interventional Cardiologist.

Dr. Sudhir Pillai, Interventional Cardiologist.

Dr. Rajesh Rajani, Interventional Cardiologist.

Dr. Navneet Kumar, Interventional Cardiologist.

Dr. G. R. Kane, Interventional Cardiologist.

Dr. Kshitij Sheth, Pediatric Cardiologist.
